

A dark, rectangular object, possibly a piece of equipment or a component, is shown. It has a circular feature on its side, which is labeled with the letter 'Z' inside a circle. The object is dark grey or black with some lighter grey shading to indicate its three-dimensional form.

This exploded view diagram illustrates the assembly of a mechanical device. The components are labeled as follows:

- 1**: Main base housing.
- 6**: Vertical support post.
- 7**: Small pin or screw.
- 10**: Top cover plate.
- 11**: Side cover plate.
- 12**: Cable or wire.
- 13**: Small rectangular plate.
- 15**: Internal component or bracket.
- 16**: Mounting bracket.
- 17**: Small mechanical component.
- 20**: Gear or pulley.
- 21**: Gear or pulley.
- 25**: Small cylindrical component.
- 26**: Bolt or screw.
- 28**: Central hub or connector.
- 31**: Long horizontal support arm.
- Y**: Cylindrical component with a cable.

The diagram shows the spatial relationship between these parts, indicating how they fit together to form the complete assembly.
